WORK EXPERIENCE

Caterpillar Inc. Peoria, IL, USA   July 2015 — Ongoing

Senior Associate Engineer

UI team leader and Salesforce developer for "Machine Software Flash Over the Air" program. I am working on developing responsive user interfaces, exposing and consuming REST services. I am also responsible for code deployment.

Caterpillar India Pvt. Ltd. Chennai, TN, India   July 2014 — June 2015

Leadership Training and Development Program (Associate Engineer)

User interface and Salesforce.com service cloud platform developer for "Product Link Web". I had worked on developing user interfaces using the Angular.js framework. I was working on integrating web services, code deployment, running batch jobs and exposing REST services on the Salesforce.com platform using Apex programming language.

Caterpillar India Pvt. Ltd. Chennai, TN, India   Feb 2014 — June 2014

Project Intern

I was working on developing user interfaces using the Backbone.js framework and JQuery for Product Link Web. I also developed a dashboard to measure the performance of API's, the UI and the server to indicate the key performance bottlenecks.

Blackberry Ltd. Chennai, TN, India   June 2013 — Oct 2013

Intern

Worked on developing applications on the Blackberry 10 platform as a part of kick starting the launch of the new Blackberry platform.

Enelek Power Pvt. Ltd. (IIT-Bombay)   June 2013 — July 2013
Mumbai, MH, India

Intern

Worked on building a learning management system for IIT-Bombay professors to interact with the industry professionals using PHP, MySQL and JQuery

Desto Creative Solutions (IIT-Madras)   July 2012 — Jan 2013
Chennai, TN, India

Intern

Worked on building the official company website, developing plugins on the Wordpress platform and developing a web application to track and monitor tasks for a team.

JH Softech Hyderabad, TL, India   May 2012 — July 2012

Intern

Worked on developing a web application for quickly doing the company book(accounting). I also developed a feedback management system to store and respond to customer and supplier feedback.
